There's a Hero

Troye Sivan

There's a flower in the smallest garden reaching for the light
There's a candle in the darkest corner conquering the night
There is amazing strength in a willing hand
There are victories that you've never planned
There's a hero in everybody's heartThere's a fire inside of everybody burning clear and bright
There's a power in the faintest heartbeat that cannot be denied
Go on and trust yourself you can ride the wind
You're gonna take your dreams where's they've never been
There's a hero in everybody's heartGo on and trust yourself you can ride the wind
You're gonna take your dreams where they've never been
There's a hero in everybody's heart
There's a hero in everybody's heart
