

See Her on the Weekend

Andrew McMahon In the Wilderness

Up around ten with a headache kicking
Guess I fell asleep with a cigarette
My girlâ€™s back home with the morning sick
Got a baby on the way, not here yet
And Iâ€™m alright, I think weâ€™re good
Yeah, I drink more than the doctors say I should
Iâ€™ve been a little hard to reach, but my girl is at the beach
And Iâ€™ll see her on the weekend

Iâ€™ll see her on the weekend
Iâ€™ll see her on the weekend
Iâ€™ll see her at the end of the week

Friday comes, lately Iâ€™m sleeping
Until the sun fills up my rented room
I pack my things, get my car started
Yeah Iâ€™ve been gone but Iâ€™ll be home real soon

Cell phoneâ€™s dead, and sheâ€™s calling
Message box is full

Friday comes, and sheâ€™s calling
Message box is full

Up around ten with a headache kicking
Guess I fell asleep with a cigarette
My girlâ€™s back home with the morning sick
Got a baby on the way, not here yet
And Iâ€™m alright, I think weâ€™re good
Yeah, I drink a little more than the doctors say I should
Iâ€™ve been a little hard to reach, but I know youâ€™re at the beach
And Iâ€™ll see ya on the weekend

Iâ€™ll see ya on the weekend
Iâ€™ll see her on the weekend
Iâ€™ll see her at the end of the week
