

Come Home

Ben l'Oncle Soul

Girl I'm down for you, we've built this through the years
Girl you know I'm right so Come Home, so Come Home
And the hands of time can wipe away your tears
Girl don't walk away, just Come Home, just Come Home Now you takin' off your ring? Girl I told you
everything
What I wouldn't do, just to be with you?
Now you're thinking I would stray? It's all lies they say
Thought you always knew: Im in love with you Girl I'm down for you, we've built this through the years
Girl you know I'm right so Come Home, so Come Home
And the hands of time can wipe away your tears
Girl don't walk away, just Come Home, just Come Home Girl I'd never do you wrong, home is where we both
belong
What I wouldn't do, just to be with you?
Always be there as your man, and I told you that
Thought you always knew: I'm in love with you... Girl I'm down for you, we've built this through the years
Girl you know I'm right so Come Home, so Come Home
And the hands of time can wipe away your tears
Girl don't walk away, just Come Home, just Come Home Girl I'm down for you, we've built this through the
years
Girl you know I'm right so Come Home, so Come Home
And these arms of mine can shield you from your fears
Girl don't walk away, just Come Home, just Come Home Everytime I come back home I think there's no place
in the world
There's no place that I would rather be, so come to me... Girl I'm down for you, we've built this through the
years
Girl you know I'm right so Come Home, so Come Home
And these arms of mine can shield you from your fears
Girl don't walk away, just Come Home, just Come Home
