

Torture Me

Red Hot Chili Peppers

Because I'm Happy to be sad
i want it all i want it bad
ohhh-ohhh
its what i know

a vintage year for pop i hear
the middle of the end is near
lets go oh

torture me and torture me
its forcin' me so torture me please
torture me with sorcery
its forcin' me so torture me please

all the leaves are turning brown
the wind is pushing me around
lets go- ohh its all i know

torture me and torture me
its forcin' me so torture me please
torture me with sorcery
its forcin' me so torture me please

the will of god is standing still
brazilian children go get there fill
lets go...

lets turn it up and dumb it down
the vision of your ultra sound
it so...

all the leaves are turning brown
the wind is pushing me around
lets go- ohh its all i know

a vintage year for pop i hear
the middle of the end is near
its so...

torture me and torture me

its forcin' me so torture me please
torture me with sorcery
its forcin' me so torture me please

torture me and torture me
its forcin' me so torture me please
torture me with sorcery
its forcin' me so torture me please
