

Whatcha Gonna Do

New Riders of the Purple Sage

Dawson

Watcha gonna do on the planet today
Missy you're so fine to see
And where ya gonna go on the planet today
Missy come and play with me
Take a look around ya now and
What do you see?
If you could go somewhere's else now,
Where would that be?
When the find the place to hide
Come and tell me where it is now,
I'll still be sitting here, singing in the air
Where ya gonna go on the planet today
Missy there's so much to see
And whatcha gonna do on the planet today
Missy I'd like to be with thee
Take a look around ya now and
What do you see?
If you could go somewhere's else now,
Where would that be?
When the find the place to hide
Come and tell me where it is now,
I'll still be sitting here, singing in the air
Watcha gonna do on the planet today
Oh, missy you're so fine to see
And where ya gonna go on the planet today
Missy I'd like to be with thee
Take a look around ya now and
What do you see?
If you could go somewhere's else now,
Where would that be?
When the find the place to hide
Come and tell me where it is now,
I'll still be sitting here, singing in the air
