

It's A Miracle

Culture Club

Guns that cross the street
You never know who you might meet
Who's in disguise
Ooh as you blow a storm
There's no one there to keep you warm
It's no surprise
There's something in my eyes It's a miracle
It's a miracle

And dreams are made of emotion Dance with the counterfeit
The plastic smiles and micro heat
I'll meet you there, I'll meet you there
Run to the edge of town
Where Hollywood lay its footprints down
Monroe was there
But do you really care It's a miracle
It's a miracle

And dreams are made of emotion It's a miracle
It's a miracle
It's a miracle
It's a miracle Guns that cross the street
You never know who you might meet
Who's in disguise, who's in disguise
Ooh as you blow a storm
There's no one there to keep you warm
It's no surprise
There's something in my eyes It's a miracle
It's a miracle

And dreams are made of emotionIt's a miracle

It's a miracleIt's a miracle

It's a miracle

And dreams are made of emotion

And dreams are made of emotion

Dreams are made of emotion
