

Levi Johnston's Blues

Ben Folds

Woke up this morning, what do I see?
Three thousand cameras pointed at me.
Dude says, "You Levi?"
I'm like, "Yes, that's me sir."
"Well, you just knocked up the VP nominee's daughter." So I tell him, "No, you got it wrong, mister,
Already got a girl, and her name is Bristol."
And they all laugh and say, "Where you been, sonny?
Your mother-in-law's a heartbeat from the presidency." And I say, "Mother-in-law? No, we ain't getting
married!"
They say, "Soon you will, boy; she just announced it."
I get on my dirt bike and ride to my girl's home,
I'm gonna lay down the law
And tell her what's going on I'm a fucking redneck,
I live to hang out with the boys, play some hockey, do some fishing
And kill some moose.
I like to shoot the shit, do some chilling I guess,
You fuck with me and I kick your ass. So we talk and it turns out we don't believe in abortion
And sex outside marriage is against our religion.
And when I try to tell 'em I'm eighteen years old,
They say, "Levi, it's too late,
You gotta do as you're told." I say, "Mother-in-law? No, we ain't getting married!"
They say, "Soon you will, boy; she just announced it."
I get on my dirt bike and ride to my girl's home,
Gonna lay down the law
And tell her what's going on: I'm a fucking redneck,
I live to hang out with the boys, play some hockey, do some fishing
And kill some moose.
I like to shoot the shit and do some chilling I guess,
You fuck with me and I kick your ass. I'm a fucking redneck,
I live to hang out with the boys, get on my snowboard, do some fishing
And kill some moose.
I like to shoot the shit, do some chilling I guess,
You fuck with me and I kick your ass. Yeah, I like to shoot the shit, do some chillin' I guess
Kick some ass I'm a fucking redneck,
I live to hang out with the boys, play some hockey, do some fishing
And kill some moose.
I like to shoot the shit and do some chilling I guess,
You fuck with me and I kick your ass.
