

Walking On Air

King Crimson

Close your eyes and look at me, I'll be standing by your side
In between the deep blue sea and the sheltering sky
If we find no words to say to the rhythm of the waves
Then we'll both surrender there, walking on air
And the worries of the day lie down, under cover of the fading
clouds
The secrets of the night come alive in your eyes
You don't have to hurry, you don't have to try
You don't have a care, you're walking on air
And the worries of the day lie down, under cover of the fading
clouds
The secrets of the night come alive in your eyes
You don't have to hurry, you don't have to try
'Cause you don't have a care, you're walking on air
