

# Keep On Lovin' Me

## Johnny Paycheck

When she needs someone to love her in the night  
She calls on me and I'm right there  
When she wants to be a woman, a lover and a friend  
She calls on me and I'm right thereThere's not one damn thing in this world  
That she won't do  
'Cause she gives the best of all she's got  
The way I want her to, Lord, and I sayKeep on lovin' me, babe and I'll keep on lovin' you  
Keep on lovin' me, babe and I'll keep on lovin' you  
That's all we need, that's all we needWhen she wants that feeling that's waitin' in my arms  
She calls on me and I'm right there  
Her door is always open, sweet love shines the way  
When she calls on me and I'm right thereThere's not one damn thing in this world  
That she won't do  
'Cause she gives the best of all she's got  
The way I want her to, I sayKeep on lovin' me, babe and I'll keep on lovin' you  
Keep on lovin' me, babe and I'll keep on lovin' you  
Keep on lovin' me, babe and I'll keep on lovin' you  
Keep on lovin' me, babe and I'll keep on lovin' you  
Keep on lovin' me, babe and I'll keep on lovin' you  
Keep on lovin' me, babe
