

Read 'em And Weep

Meat Loaf

I've been trying for hours just to think of what exactly to say
I thought I'd leave you with a letter or firey speech
Like when an actor makes an exit at the end of a play
And I've been dying for hours trying to fill up all the holes with some sense
I'd like to know how you faded and you threw it away
I'd like to give you all the reasons and what everything meant Well I could tell you good-bye or maybe see you
around
With just a touch of a sarcastic thanks
We started out with a bang and at the top of the world
Now the guns are exhausted and the bullets are blanks
And everything's blank [Chorus: x2]
If I could find the words then I would write it all down
If I could only find a voice I would speak
Oh it's there in my eyes so can't you see me tonight
c'mon and look at me and read 'em and weep I've been whispering softly, trying to build a cry up to a scream
We let the past slip away, and put the future on hold
Now the present is nothing but a hollowed out dream And I've been dying for hours trying to fill up all the holes
with some sense
I'd like to know why you faded and you threw it away
I'd like to give you all the reasons and what everything meant Well I could tell you good-bye or maybe see you
around
With just a touch of a sarcastic thanks
But now the rooms are all empty, the candles are dark
The guns are exhausted and the bullets are blanks, and everything's blank [Chorus] It's there in my eyes and
coming straight from my heart
It's running silent and angry and deep
It's there in my eyes and it's all I can say, c'mon and read 'em and weep Read 'em and weep, for all the hours
we'll be spending alone
Read 'em and weep, for the dreams we'll ignore
Running silent and deep,
And all those promises we promised to keep, they won't be kept anymore Read 'em and weep, for the magic that
our bodies had made
Read 'em and weep, for the blood that we lost
Running silent and deep, and all the secrets that we somehow betrayed
For whatever the cost Read 'em and weep, for the memories still alive in the bed
Read 'em and weep, for the lies we believed
Running silent and deep, and all the things that can never be said Why don't you look at me and read 'em and
weep
c'mon and look at me and read 'em and weep

It's there in my eyes and coming straight from my heart
It's running silent and angry and deep
It's here in my eyes and it's all I can say
c'mon look at me and read 'em and weep
