

Keep On Going

Frumpy

SheÂ´s walking down the road
in her pocket toothbrush and soap.

SheÂ´s waiting for somebody
who gives her bread for her love
and sweet honey.

No matter how it seems to be,
Â‘cause sheÂ´s a maid of sexaultiy.

She keeps on,
she keeps on walking,
she keeps on walking down the road.

So keep on,
so keep on, keeping on,
so keep on walking
so keep on
So keep on going,
keep on going,
well keep on going, for I donÂ´t mind
for I donÂ´t mind,
Â‘cause I donÂ´t mind

Everybody knows his name,
Â‘cause everybody says: heÂ´s the king
of game!

Lots of fools have tried his magic art
but they got mad, but they got mad,
they got mad, so they got mad
so they got mad before they started.

So if you play with him,
youÂ’ll fall with a prod!
So watch it, so watch it,
so watch it, oh watch it,
he got eyes like a hawk!

So watch it, so watch it, so watch it baby
wow, yeah!

So keep on, keeping on
So keep on, keeping on
So keep on, keeping on

So keep, keep, keep, keep, keep, keep,
keeping on
So keep on, for I don't mind,
So walk on down the road
In your pocket toothbrush and soap
You're waiting for somebody, for somebody,
to love, to love, to love, to love, for sweet love, for sweet love
