

Shy With You

Bonnie Tyler

(robbie seidman)

Producer for bonnie: desmond child More than often when I'm with you

I become a nervous kid

I imagine your old girlfriends

I imagine what you did

I don't know if this is normal

I don't know if this is love

With you I get so formal

And I feel all this other stuff Shy with you

Though I've been around the block

Shy with you

Cause you're the one I really want Other guys I don't care about

So easy with them

Anything you can do without

So easy to win

I can't do without your love

So I try to play it cool

Everytime you call my bluff

I just stand there like a fool Shy with you

Though I've been around the block

Shy with you

Cause you're the one I really want

Shy with you

Sometimes a heart can hurt a lot

Shy with you

Cause you're the one I really want I need your love

I need your love to see me through

I want you

I want you and so it's true

Shy with you...shy with you...shy with you...
