It's Your Body

Johnny Gill

Girl, it's your body
(You're body, body, baby)
Girl, it's your body
(You're body, body, girl)
I just can't seem to get enough, oh
Enough of your lovingGirl, it's your body
(You're body, body, baby)
Oh, it's your body
Girl it's your body
(You're body, body, girl)
Girl, oh IListen
(Tell everybody Johnny)
Don't think that I'm crazy
(I don't)
See you've been my lady
For so many years
And I think it's time that I let you know how I feel
(Tell 'em, tell 'em, tell, 'em)
You see I finally figured it out
(Figured it out)
Why I still can't seem to get enough of your love
Enough of your love, yeah, yeah
Every time I'm near you
My whole body can't keep still
Girl I'm on fire
Temperature's rising higher and higher
Girl, I loose all self control
Every time, every time you're near
Every time you're nearOh I know that
It's your body
(Girl, it's you're body)
That keeps me yearning
(Girl it's you're body)
That keeps my body burning
I just can't seem to get enough of your love
Can we make babies
Can we make babies
Can we make a family
Girl it's your body

(You're body, body, baby)
Girl it's your body
Girl it's your body
(You're body, body, girl)
That keeps me yearning all night long
Oh, heyGirl it's your body
(You're body, body, baby)
It's your body
Girl it's your body
(You're body, body, girl)
Girl, it's your
I just can't seem to get enough
Don't get me wrong
I love every thing about you
Girl it's your body
(Your body body baby)
But there's just something about you
Girl it's your body
That I yearn for all night long
Oh yeah, heyDon't think I'm crazy, oh
See you been my lady
For so many years
And I think it's time that I let you know that
That I finally figured it out
(Figured it out)
Why I still can't seem to get enough of your loveGirl, it's your body
Girl, it's your body, baby
Girl it's your body
So you know what I want you to do
I want you to step into my bedroom
Take off all your clothes
Lay down
Let me rub your body down
Let me feel your body now
Let me squeeze your body
Let me give you everything that you want
Everything that you need
Come on come on come on I know howGirl it's your body
Girl it's your body
Girl it's your body
I just can't seem to get enough
Enough of your love
Enough of your lovingGirl it's your body
(You're body, body, babe)
Girl it's your body

(You're body, body girl)
Oh, oh
It's all rightNow let me take my time
(It's your body)
Express myself girl
(It's your body)
Your body's so unusual
It makes me weak
(Weak)
But I'll be honest baby
(Baby your body)
I don't want nobody else
Nobody, nobody, nobody else
You, like I'm used to love you, like I'm used to love
Oh, shooby do wop
I want your body, body, baby
Shooby do wop
I want your love babe
I just can't seem to get enough of your sweet, sweet love
