

Dynamite Tonite

Lordi

Dynamite tonight aw ooh yeah aw

She's so cold keeps her distance icy queen ooh I've been told she's so sense has always been

She'll need some warmin' up and I'll bring her the heat my glances burnin' hot melt her melt her meat

Gimme gimme fuel for my fire just a little spark of desire for her delight I'll serve dynamite tonite

Gimme gimme fuel for my fire just a little spark of desire for her delight I'll serve dynamite tonite

Who comes out as the winner when she starts to play the game after the second half she will never be the same

She'll need some warmin' up and I'll bring her the heat my glances burnin' hot melt her melt her meat

Gimme gimme fuel for my fire just a little spark of desire for her delight I'll serve dynamite tonite

Gimme gimme fuel for my fire just a little spark of desire for her delight I'll serve dynamite tonite

Wow gimme gimme fuel for my fire just a little spark of desire for her delight I'll serve dynamite tonite

Gimme gimme fuel for my fire just a little spark of desire

For her delight I'll serve dynamite tonite dynamite tonight

Aaah gimme gimme fuel for my fire just a little spark of desire

For her delight I'll serve dynamite tonite

Yeah gimme gimme fuel for my fire just a little spark of desire

For her delight I'll serve dynamite tonite dynamite tonight
