Spend My Life With You

Eric Benet

I never knew such a day could come
And I never knew such a love could be inside of one
I never knew what my life was for
But now that you're here I know for sure
I never knew till I looked in your eyes
I was incomplete till the day you walked into my life
And I never knew that my heart could feel so precious and pure
One love so real
Can I just see you every morning when I open my eyes?
Can I just feel your heart beating beside me every night?
Can we just feel this way together till the end of all time?
Can I just spend my life with you?
Now baby the days and the weeks and the years will roll by
But nothing will change the love inside of you and I
And baby I'll never find any words that could explain
Just how much my heart, my life, my soul you've changed
Can you run to these open arms when no one else understands?
Can we tell God and the whole world, I'm your woman, you're my man?
Can't you just feel how much I love you with one touch of my hand?
Can I just spend my life with you?

No touch has ever felt so wonderful
(You are incredible)
And a deeper love I've never known
(I'll never let you go)
I swear this love is true
(Now and forever to you)
Only for you
(To you)
Can I just see you every morning when I open my eyes?
Can I just feel your heart beating beside me every night?
Can we just feel this way together till the end of all time?
Can I just spend my life with you?
Can you run to these open arms when no one else understands?
Can we tell God and the whole world, you're my woman
And you're my man?
Can't you just feel how much I love you with one touch of my hand?
Can I just spend my life with you, can I just spend my life with you?
Can I just spend my life with you?

Can I just see you every morning when I open my eyes?
