Lover Girl

Sarah Jaffe

Give me one more smile
I steal it from your face
We walk another mile
Before we reach our sacred place
We're above the hills
But we're below the sea
You're like a cup that's full
Spilt all over meI soar like a bird
I float like I'm in space
We're in a lovesick world
I'm your lover girl
I'm your lover girl
Give me one more kiss
Then I'll lock our lips
Unclench your stubborn fists
And I'll put my hands in them
We're above the hills
But we're below the sea
We're on a barren land
But its bare is its beauty
I soar like a bird
I float like I'm in space
We're in a lovesick world
I'm your lover girl
I'm your lover girl
