We Went As Far As We Felt Like Going

The Pussycat Dolls

Here we go
Come on

I dig you, you dig me
I dig you, you dig me

I dig you, you dig me
We went as far as we felt like going
Took a ride, satisfied
We went as far as we felt like going
Had no restrictions, stop or go
Just killing time and took it slow

It was completely understood
A one night stand would do us good
We did mm mama ma mama ma
Mm mama ma mama ma
Oh how we did it

We went as far as we felt like going
We went as far as we felt like (to my soul)

Getting it on all night long
We went as far as we felt like going
Had a rap took a nap
We went as far as we felt like going
The morning came and woke us up
Another kiss, another cup

You said to call you up sometime
When I got yayas on my mind
Mm mama ma mama ma
Mm mama ma mama ma
Oh how we did it, did it

We went as far as we felt like going
We went as far as we felt like going
We went as far as we felt like going
We went as far as we felt like

We can do it
I dig you, you dig me
We can do it

Baby we can do it
Take the time
Do it right
We can do it baby
Do it tonight

Baby we can do it
Take the time
Do it right
We can do it baby
Do it tonight

I dig you, you dig me
We went as far as we felt like going
Took a ride, satisfied
We went as far as we felt like going
Had no restrictions, stop or go
Just killing time and took it slow

It was completely understood
A one-night stand would do us good
We did mm mama ma mama ma
Mm mama ma mama ma
Oh how we did it

We went as far as we felt like going
We went as far as we felt like going
We went as far as we felt like going
We went as far as we felt like going

I dig you, you dig me
We went as far as we felt like going
Took a ride, satisfied
As far as we felt like going

We did it all (we went as far as we felt like going)
Said we did it all (we went as far as we felt like going)
We did it all (we went as far as we felt like going)
Said we did it all (we went as far as we felt like going)
