Bugs In Billy Bob's Bed

Grim Skunk

Bugs in Billy Bob's bed! Billy Bob's bed!
Oh yeah, Billy Bob's bed...
You know you're wasting your time yeah...
You drove me out of my mind yeah...
You left me and then you said
Another guy's in my head, but
Last night you slept on the floor yeah...
This morning knock at my door yeah...
That's when I laughed when you said
There's bugs in Billy Bob's bed yeah...
Shake it down la guitare
Take it down to the bridge
DON'T YOU KNOW THERE'S BUGS IN BILLY BOB'S BED?
