Under Your Arrest

Tom Speight

IÂ´d run as fast as I can
IÂ´d hold your hand wherever you may stand
Just to hear your voice beating on my chest

Under your arrest
Under your arrest

I fall as hard as I can
I follow you wherever you may land
Let you keep me back, keeo me at my best

Under your arrest
Under your arrest

ThereÂ´s no refuge for you and I to keep us down in time
I canÂ´t promise not to make you cry or let you down
Cause IÂ´ve been here before you know
I know your heart and I know your soul
We can spend the time go another round
But I know I just let you down

IÂ´d run as fast as I can
IÂ´d hold your hand wherever you may stand
Just to hear your voice beating on my chest

Under your arrest
Under your arrest

ThereÂ´s no refuge for you and I to keep us down in time
I canÂ´t promise not to make you cry or let you down
Cause IÂ´ve been here before you know
I know your heart and I know your soul
We can spend the time go another round
But I know I just let you down.
