Burning Flame

Steel Pulse

Wow!
Out a town, wear no frown, settle down
They say... one man's meat is another man's poison
But I've chosen the greatest heights in life
Laughter is where there's lots of fun
Sorrow gone where the grass is green
I want no screwface passenger
Nightmare, no I'm a sweet dreamerCan't... I can't be no sight for sore eyes
Got to vitalize I self, show
Like a burning flame, got light up I life,
A burning flame, got to light up I life,
Easy does it
Me seh... Laughter is where there's lots of fun
Sorrow gone where the grass is green
I want no screwface passenger
Nightmare, no I'm a sweet dreamerHappiness is cheerful countenance
Stress leads to madness
Insanity confirmed by humanity
Insanity, wah wowDemons knock upon my door
Them think dem can kill joy
You can't keep a good man down for sure
Like a burning flame, got to light up I life
A burning flame, got to light up I life
Easy does itLots of fun says I feel so good (repeat 3 times)
I say I feel so good
Easy does itCan't be no sight for sore eyes
Got to vitalize I self, show
Like a burning flame, got to light up I life
A burning flame, got to light up I life
Easy does itMe seh... Laughter is where there's lots of fun
Sorrow gone where the grass is green
I want no screwface passenger
Nightmare, no I'm a sweet dreamer
Laughter is where there's lots of fun
Sorrow... no, no
Want no screwface passenger
