

# Showdown

## Parthenon Huxley

She cried to the southern wind  
About a love that was sure to end  
Every dream in her heart was gone  
Headin' for a Showdown

Bad dreamer, what's your name  
Looks like we'r ridin' on the same train  
Looks as though there'll be more pain  
There's gonna be a Showdown

And it's rainin' all over teh world  
It's raining al over the world  
Tonight, the longest night

She came to me like a friend  
She blew in on a southern wind  
Now my heart is turned to stone again  
There's gonna be a Showdown

Save me, oh save me  
It's unreal, the suffering  
There's gonna be a Showdown

And it's rainin' all over the world  
It's raining all over the world  
Tonight, the longest night

---
