I'll Wait for You

The Originals

I don't mind this empty room
For lonesome shiny days
It don't seem so full of darkness
It's the lonely nights I care about
Girl, since you've been gone
I can't wait for you to come back homeYour love is sweeter than the finest wine
Only you can fill this heart of mine
So I'll wait for you
(No matter what, baby)
I'll wait for you
(Oh, come what may)
I'll wait for you
I'll wait, and wait, and wait . . .I'll wait for you, darling, I swear
I'll wait for you, darling, I swearCan't sleep at night, I'm pacing back & forth
Hoping soon to see you walking through the door
I'll wait for you, no matter what, baby
I'll wait for you, oh, come what may
I'll wait for you, no matter what
I'll wait and wait and wait . . .
