Primal Scream

Got a sad destructive feelin'
Creepin' through my soul
When I'm awake and when I'm dreamin'
Just won't leave me alone?I know you've got another lover
I know you've got somethin' to hide
You've been acting kind of nervous
You can't look me in the eyeI can tell, I can tell
I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, cheatin' meOoh, baby, I'm free of you
Ooh, baby, I'm free of you
Free of youDon't want you to touch me
Don't you touch me
Don't you touch meEverything is broken
I believe in you no more
Does she satisfy you, honey?
Can she make you feel alive?
I can't stand the thought of you naked
In someone else's armsI can tell, I can tell
I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, cheatin' meOoh, baby, I'm free of you
Ooh, baby, I'm free of you
Free of youI can tell, I can tell
I can tell you're cheatin' me
You're cheatin' me
Cheat, cheat, cheatin' meOoh, baby, I'm free of you
Ooh, baby, I'm free of you
Free of youI'm free of you, I'm free of you
Said, "I'm free of you"
Said, "I'm free of you"
I had this sad destructive feelin'
In my body, babyYou've been cheatin' on me
You've been cheatin' on me
You've been cheatin' on meI can tell, I can tell
You've been cheatin' on me
But now I'm free of you
