Stadium Love

Metric

Wanna make a bet
We'll be neck to neck taking off the gloves
Spider versus bat
Tiger versus rat, rabbit versus dove
Wanna make a bet
Odds are neck to neck taking off the gloves
Spider versus bat
Tiger versus rat, owl versus dove
Every living thing pushed into the ring
Fight it out to wow the crowd
Guess you thought you couldn't just watch
No one's getting out
Without stadium love
Without stadium love
Wanna make a trade
Cougar for a snake, wanna fall in love

Wanna make a deal
Angel versus eel, owl versus dove
Every living thing pushed into the ring
Fight it out to wow the crowd
Guess you thought you couldn't just watch
No one's getting out
Without stadium love
Without stadium love
We've got stadium love
We've got stadium love
We've got stadium love
We've got stadium love
Stadium love, love, love, love
Stadium love, love, love, love
