

# Summertime City

## Mike Batt

In the cool light of the dawn  
When the sky wakes and the sun shines on the boulevard  
In the town where I was born  
I am sitting thinking about you, wondering where you are

Darling, I got the sun but when it shines I know I need you.

So baby get down (get down, get down to the summertime city)  
Come on down to the summertime city  
Baby get down (get down, to the summertime city)  
Come on down to the summertime sound

Come on, come on, come on, come on, come on, come on, come on  
Kick off your shoes 'cos summertime city, ain't got the summertime blues

I was lying alone on the beach  
With the warm sound of the sea moving behind me  
But I knew you were out of reach  
And it seemed the sun was shining just to remind me

Baby, without you, you know it might as well be raining

So baby get down (get down, get down to the summertime city)  
Come on down to the summertime city  
Baby get down (get down, to the summertime city)  
Come on down to the summertime sound

Come on, come on, come on, come on, come on, come on, come on  
Kick off your shoes 'cos summertime city, ain't got the summertime blues

Baby get down (get down, get down to the summertime city)  
Come on down to the summertime city  
Baby get down (get down, to the summertime city)  
Come on down to the summertime sound

Come on, come on, come on, come on, come on, come on, come on  
Kick off your shoes 'cos summertime city, ain't got the summertime blues

Summertime city, ain't got the summertime blues  
Summertime city, ain't got the summertime blues  
Summertime city, ain't got the summertime blues  
Summertime city, ain't got the summertime blues
