

# Ball & Chain

## Ace Troubleshooter

I know I told you  
But I dole out excuses  
Get home just as soon as I can  
It'll be alrightBut I mean it, gotta believe it  
You're still my daylight and my evening, girl  
And I'll see you tonight  
Sunday drive, girl let's get out tonightYeah, the tunes on the stereo  
Make me wish I was home  
Feeling like a leg is missing  
It's ball & chainYeah, the tunes on the stereo  
Make me wish I was home  
And it seems cliche to love you  
For hating me being away from youIf I said it, would you regret it?  
Knowing I'll want you more  
Every day we're apart  
But we'll be just fineSo I'm jealous of the fellas  
Who get close enough to share  
The air you breathe but tonight you're all me  
A Sunday drive, girl let's get out tonightYeah, the tunes on the stereo  
Make me wish I was home  
Feeling like a leg is missing  
It's ball & chainThe tunes on the stereo  
Make me wish I was home  
And it seems cliche to love you  
For hating me being away from youGirl, you don't have to cry  
Just bite your lip and sigh  
Don't turn out your lightYeah, the tunes on the stereo  
Make me wish I was home  
Feeling like a leg is missing  
It's ball & chainThe tunes on the stereo  
Make me wish I was home  
And it seems cliche to love you  
For hating me being away from you  
But I do
