

Do It Again

Elevation Worship

Walking around these walls
I thought by now they'd fall
But You have never failed me yet
Waiting for change to come
Knowing the battle's won
For You have never failed me yet Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You've never failed me yet I know the night won't last
Your Word will come to pass
My heart will sing Your praise again
Jesus, You're still enough
Keep me within Your love
My heart will sing Your praise again Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed me yet I've seen You move, come move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again I've seen You move, come move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again I've seen You move, come move the mountains
And I believe, I'll see You do it again
You made a way, where there was no way
And I believe, I'll see You do it again I'll see You do it again
Oh-oh Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed Your promise still stands
Great is Your faithfulness, faithfulness
I'm still in Your hands
This is my confidence, You never failed me yet And You never failed me yet
I never will forget
You never failed me yet

And I never will forget
