I Still Believe

Wayne Wonder

[[Chorus]]I still believe that you love me baby
I still believe that you care darling
I still believe that you love me baby
ahhhh (forever my lady)
[[Verse 1]]She would take her time and she would walk a mile
And still i would ignore to even drop a line
Now i would give the world to have you back as mine
I took her for granted and lost it all na na na na
she step otta mi life u kno she never looked back
sen up the deh rude boy pressure gave me a heart attack
i never did believe that she could really do that
she run me like a dog and call me dirty brother

so i get myself together got to clean up my act
she really want dat she nuh want no yikidiyak
without a doubt she loves me and she cares
[[Chorus]][[Verse 2]]I know i done you wrong but, you and i belong
Im reaching out to you, just listen to my song
girl i apologize for treating you so cruel
I took her for granted and lost it all
[[Chorus]][[Outro]]Baby be there for me, baby be there for me
