What You Waiting For (Vaktun Rmx)

[Gwen Stefani](#)

What an amazing time
What a family
How did the years go by?
Now it's only meTick tockLike a cat in heat stuck in a moving car
Scary conversations
Shut my eyes, can't find the brake
What if they say that you're a cloner?Naturally I'm worried if I do it alone
Who really cares 'cause it's your life
You never know, it could be great
Take a chance 'cause you might grow
Oh oh ohWhat you waiting
What you waiting for?What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?Tick tock
Take a chance, you stupid hoLike a new cut pattern, you're repeating yourself
You know it all by heart
Why are you standing in one place?
Born to blossom, bloom to perishYou know you're only known
'Cause of your sex chromosome
I know it's so messed up how our society all thinks (for sure)
Life is short, you're capable (uh huh)
Oh oh ohLook at your watch now
You're still a super hot female!
You got your million dollar contract
And they're all waiting for your hot trackWhat you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?I can't wait to go
Back into Japan
Get me lots of brand new fans
Osaka, Tokyo
You Harajuku girls

Damn, you've got some wicked styleGo!
Look at your watch now
You're still a super hot female
You got your million dollar contract
And they're all waiting for your hot trackWhat you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?What you waiting
What you waiting
What you waiting
What you waiting
What you waiting for?What you waiting for?
What you waiting for?
Take a chance, you stupid hoTake a chance, you stupid ho
What you waiting for?
What you waiting for?
Take a chance, you stupid ho
