

Gone (feat. Kelly Rowland)

Nelly

(Gone,gone,gone)
I woke up today,at 7:30,
You had gone away,already.
Where had you gone?
You're not at work today, I was all alone in that flat,
Freezing.Left me without a penny,
You stole my credit card and money,
How could you do such a thing?
I thought love meant something.But now you've gone (gone)
Don't know where and I'm alone(alone)
I'm all alone, no money,
No family,
So what will I do?
Now that I haven't got you.Gotta think of something,
Maybe get a job,
But I'm not gonna last long if I don't.
Gotta get some money,
Don't care how much as long as I get some lunch.But now you've gone (gone)
Don't know where and I'm alone(alone)
I'm all alone, no money,
No family,
So what will I do?
Now that I haven't got you.You're such a liar you said you loved me,
And I thought I loved you too,
But all that was fake,
You left me here alone.But now you've gone (gone)
Don't know where and I'm alone(alone)
I'm all alone, no money,
No family,
So what will I do?
Now that I haven't got you.Somebody please help me
(Gone,gone,gone)
