House In the Woods

Tom Petty

I'm goin' down to the house in the woods
See my little darlin'
And I'm goin' down, out in the fields
Is summertime comin'?And oh my love, what can not do
What can not do, but love you?
For the rest of my days, rest of my nights
What can I do, but love you, babe?Summertime falls on the house in the woods
Back by the power lines
I ain't got a neighbor for nine or ten miles
Back in the tall pinesAnd hey now babe, what can not do?
What am I goin' to do, but trust you?
The rest of my nights, the rest of my days
What can I do but love you, babe?Hey now babe, what can not do?
What am I goin' to do but love you?
The rest of my days, the rest of my nights
What could I do but love you, hey
