## AM

Bright as a star be the light  
Strobing down on me  
Suddenly I was free  
Let me go on theseShow I can cough I can choke  
On this kind of smoke  
Off went the switch  
Love is soft  
Love's a fucking bitchDo I really need  
Another habit like you  
I really need  
Do you need me too  
I believe it's gonna leave me blueBright as a star be the light  
Strobing down on me  
Suddenly I was free  
Let me go on theseShow I can cough I can choke  
On this kind of smoke  
On goes the switchLove is soft  
Love's a fucking bitchDo I really need  
Another habit like you?  
I really need  
Do you need me too?  
I believe  
It's gonna feel like new
