For Your Precious Love

Jestofunk

Your precius love, now
Means more to me
Than any love, that any love could ever be.For when I wanted you, oh no
I was so lonely and so blue
That's what love, that's what love relly made me do.And darling, oh, they keep saying,
that our love will go, now
but honey I wanna tell them,
and I just wanna show them,
how in the word do they know, now
It's very long, oh now, oh now,
For as long as you make love with me now I know our love will grow wider,
and so deeper that any any ever seen, now.Of all, of all the things that I want, now in this whole wide world for you to say
that you'll be my my girl now, now.
and I'm calling, I wanting you I just keep wanting you, now, oh nowI'm waing you, now
Nobody but you, now
Nobody but you, nowOh, I wanna tell you just one more time, for your precius love, now,
oh my It means everthing in the world to me,
everything in the world to me,
And I'm just so wild, now
just to have you
Ringht on with me,
Oh now, now, now
