

# Diamonds

## KIDZ BOP Kids

Shine bright like a diamond  
Shine bright like a diamond Find light in the beautiful sea  
I choose to be happy  
You and I, you and I  
We're like diamonds in the sky You're a shooting star I see  
A vision of learning  
when you teach me I'm alive  
We're like diamonds in the sky I knew that you'd be the love for me right away  
Oh, right away  
At first sight I saw the energy of learning  
I saw the word inside your eyes So shine bright tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky Palms rise to the universe  
As we sing in melody  
Feel the warmth, we'll never die  
We're like diamonds in the sky You're a shooting star I see  
A vision of learning  
When you teach me, I'm alive  
We're like diamonds in the sky At first sight I felt the energy of sun rays  
I saw the life inside your eyes So shine bright tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond So shine bright tonight, you and I  
We're beautiful like diamonds in the sky

Eye to eye, so alive  
We're beautiful like diamonds in the sky Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Oh, yeah  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond
