

# Love At First Sight

## Blue

Yeah

See if you can relate to this one  
Hope I'm not disturbing you  
Because you look in deep thought right now  
I don't mean to be rude  
'Cause this is normally not my style  
Can I take you out?  
I feel if I don't ask chance will pass  
And I'll never see your face again  
I'll never see your face again no  
You may be thinking I am strange  
Not every single day no  
Beauty comes my way, so  
Do you believe in love at first sight?  
Tell me does that book that you're reading  
Tell the story of your life?  
Do you believe in love at first sight?  
Should I walk on by, turn a blind eye to love  
Love at first sight?  
I could be the man for you  
I can make all your dreams come true  
Maybe I'm a fool for saying  
I'm in love with you  
You may be thinking I am strange  
Not every single day no  
Beauty comes my way, oh  
Do you believe in love at first sight?  
Tell me does that book you are reading  
Tell the story of your life?  
Do you believe in love at first sight?  
Should I walk on by, turn a blind eye to love  
Love at first sight?  
You say fare well I say so long  
You say goodbye I'll say you're wrong  
'Cause here in my arms you belong  
Do you believe in love at first sight?  
Tell me does that book you are reading  
Tell the story of your life?  
Do you believe in love at first sight?  
Should I walk on by, turn a blind eye to love  
Love at first sight?  
Do you believe in love at first sight?  
Tell me does that book you are reading  
Tell the story of your life?  
Do you believe in love at first sight?  
Should I walk on by, turn a blind eye  
To love, love at first sight, to love, love at first sight?
