Hinds

you couldn't stay here one more night
so take me to the beach alright
you're getting blinded taking drugs
we didn't even say "goodbye"
you're all alone I can't say why
'cause I.....
...
...
oh i'm staying, i'm staying
tatatararara
you know i'm staying, i'm staying
tatatararararayou couldn't stay here one more night
so take me to the beach alright
you're getting blinded taking drugs
we didn't even say "goodbye"
you're all alone I can't say why
'cause I.
...
oh i'm staying, i'm staying
tatatararara
oh i'm staying, i'm staying
tatatararara
you could't stay here one more night
so take to the beach alright
you're getting blinded taking drugs
we didn't even say "goodbye"
