# Innocent (Cc.K Remix)

## Groove Coverage

I know you'll never stay the same
In time, most of us lose it
But I'm hoping, just the same
You'll shine and learn how to use itSpeak to me like the very first speak
You are magnificent when you're innocent
Laugh to me like the very first laugh
You are from heaven sent when you're innocentMy hands hold you and you adore
Blue eyes turn my direction
Surprise in everything and your
Body moves in perfectionSmile to me like the very first smile
You are magnificent when you're innocent
Walk to me like the very first walk
You are from heaven sent when you're innocentYou're innocent
You're innocent
You're innocent
You're innocentSpeak to me like the very first speak
You are magnificent when you're innocent
Laugh to me like the very first laugh
You are from heaven sent when you're innocentSmile to me like the very first smile
You are magnificent when you're innocent
Walk to me like the very first walk
You are from heaven sent when you're innocent
