

# The Hollow Room

## of Montreal

Someone's in love with someone who doesn't love them back  
their body's like a hollow room

They carry around an empty feeling wherever they go, wherever they go  
When one is crying over someone who  
doesn't even care, their body's like an empty tomb

They carry around a desperate feeling where ever they go, wherever they go  
their in a hollow room..A hollow room. All the devils in the world couldn't think up a more painful thing to be  
in love with someone who doesn't love you back.
