

# When Somebody Loves You Back (feat. Ohio Players)

## Teddy Pendergrass

It's so good lovin' somebody  
And somebody loves you back To be loved and be loved in return  
It's the only thing that my heart desires  
Just appreciate the little things I do  
Oh, you're the one who's got me inspired  
Keep on liftin', liftin' me higher So good, good lovin' somebody  
And somebody loves you back  
It's so good needin' somebody  
And somebody needs you back We can build a world of love, a life of joy  
Make our goal each other's happiness  
I will do for you anything that I can  
Oh, everyday I wanna do a little more  
Do a little more, just a little bit more It's so good, good lovin' somebody  
And somebody loves you back and that's a fact  
It's so good wantin' somebody  
And somebody wants you back  
Said it's so good Oh ho, to be loved and be loved in return  
It's the only thing that my heart desires  
Just appreciate the little things I do  
Oh, you're the one who's got me inspired  
Keep on liftin', liftin' me higher So good lovin' somebody  
And somebody loves you back and that's a fact  
It's so good needin' somebody  
And somebody needs you back Said now 70-30  
Now 60-40  
Talkin' 'bout a 50-50 love Said it's so good lovin' somebody  
And that somebody loves you back, yeah Said now 70-30  
Now 60-40  
Talkin' 'bout a 50-50 love, yeah It's so good, good lovin' somebody  
And somebody loves you back, yeah  
It's so good, good I'm so glad that there's you  
I've experienced over and over again when  
I've given 80 percent and she's given 20 percent  
Now she's givin' 70 percent and I'm givin' 30 But you just don't know how it feels to have somebody  
That you can share your life  
Somebody that you don't mind talkin' to  
Somebody that you don't mind goin' down the middle of the road I know a lot of guys today they wish they had  
somebody just like you  
I don't know when the last time I told you

But girl, you make me so very happy  
I think we've got something that a lot of people don't seem to have  
Talkin' 'bout a 50-50 love, yeah
