You Won't B Here

Perfume Genius

That was all a lie
Pretended for you
It doesn't matter
Who you answer to
Your heart will break
Whatever you do
But you won't b here
TomorrowYou might not get
What you were promised
You might be hollow
After all of the deaths
But you are hurting
Everyone you touch
And they won't b here
TomorrowThey won't b here tomorrow
They won't b here tomorrow
They won't b here tomorrow
They won't b here tomorrow
They won't b here tomorrow
