

# Silence is the Enemy

## Papa Roach

I know you wanted me to keep my mouth shut  
Because you hate it when I speak my mind  
I suffer through but it feels so messed up  
Like my opinion is a waste of time  
We never wanted it to be this way  
They never listen to a word we say So scream your heart out  
You are the chosen  
You got to show them  
Silence is the enemy  
Scream it out loud  
We are the broken  
We got to show them  
Silence is the enemy You take your needles and sow my mouth shut  
But you will never hear the last of me  
This is the reason why we're all so fucked up  
You are the reason why we don't believe  
We never wanted it to be this way  
They never listen to a word we say So scream your heart out  
You are the chosen  
You got to show them  
Silence is the enemy  
Scream it out loud  
We are the broken  
We got to show them  
Silence is the enemy Scream it out loud  
Silence is the enemy  
Scream it out loud  
Silence is the enemy You got to show them  
Silence is the enemy Scream your heart out  
You are the chosen  
You got to show them  
Silence is the enemy  
Scream it out loud  
We are the broken  
We got to show them  
Silence is the enemy Scream it out loud  
Silence is the enemy  
Scream it out loud  
Silence is the enemy

Scream it out loud  
Silence is the enemy
