She was dynamite

Jack Jersey

It was a cool night
And the moon was bright
She smiled at me and I felt allright
She was dynamite
That Lady of the night.
How she was standing there
With her long black hair
Waiting for the man she wanted to care
Till' the morning light
That lady of the night.
Well
she was dynamite
That lady of the night
What she did
what she took
what she gave was heavenlyWell
she was dynamite
She made me feel allright
I said
Holy smoke
I never thought
Such a dream could happen to me.
