Viva La Revolution

Bardot

Into the dungeon with evil men
The people have risen we're free againCome out of the closet
Come out of the hole
Come out of the woodwork
Come into the foldRebels and fighters, a license to kill
Unite with the bandits down from the hillsOpen your windows
Open your doors
Open your minds
To a freedom of thoughtViva la revolution, viva la revolution
Viva la revolution, viva la revolutionRaise our voices, raise our flag
Smash the symbols of the life we've hadLong live the people
Long live the scheme
Long live our hopes
Long live the dreamDance in the streets at the carnival
Celebrate the victory now
Drink the wine from the rich man's cask
This revolution won't be the lastViva la revolution, viva la revolution
Viva la revolution, viva la revolution
