

# Viva La Revolution

## Bardot

Into the dungeon with evil men  
The people have risen we're free againCome out of the closet  
Come out of the hole  
Come out of the woodwork  
Come into the foldRebels and fighters, a license to kill  
Unite with the bandits down from the hillsOpen your windows  
Open your doors  
Open your minds  
To a freedom of thoughtViva la revolution, viva la revolution  
Viva la revolution, viva la revolutionRaise our voices, raise our flag  
Smash the symbols of the life we've hadLong live the people  
Long live the scheme  
Long live our hopes  
Long live the dreamDance in the streets at the carnival  
Celebrate the victory now  
Drink the wine from the rich man's cask  
This revolution won't be the lastViva la revolution, viva la revolution  
Viva la revolution, viva la revolution
