

# It Tango

Laurie Anderson

She said: it looks. don't you think it looks a lot like rain? he said: isn't it. isn't it just. isn't it just like a woman?  
she said: it's hard. it's just hard. it's just kind of hard to say. he  
: isn't it. isn't it just. isn't it just like a woman? she said: it goes. that's the way it goes. it goes that way. he said:  
isn't it. isn't it just like a woman? she said: it takes. it takes on  
Takes on to. it takes one to know one. he said: isn't it just like a woman? she said: she said it. she said it to no.  
she said it to no one. isn't it. isn't it just? isn't it just like a woman?  
Eyes. it's a day's work to look in to them. your eyes. it's a day's work just to look in to them.
