Never Lose That Feeling/Never Learn

Swervedriver

You can see for miles you say
I'm not watchin' anyway
Hold on tight to the side you take
I can't mind 'cause I'm not rightSo far reaching
Never lose that feeling
Past believing
Never lose that feelingI'll sweep up the streets today
Take your leave then look away
You need something more today
I don't mind and it's always this way
So deceiving
Never lose that feeling
So revealing
Never lose that feeling
So far reaching
Never lose that feeling
So deceiving
Never lose that feeling Feeling
Past believing
Never lose that feeling
So revealing
Never lose that feeling
