Breakin' It

Mindy McCready

If there was anyway out
Where I could slip away
Take my heart with meIf there was anyway out
Where I could slip away
And leave my mind at ease'Cause if my head was alright
You wouldn't be sittin' here tonight
Watchin' me shakin' itBut if my heart was intact
You know I'd let you have the first crack
At breakin' itIf you were anything less
What you are to me
Well, I would have a reason thenCallin' it quits
Instead of having these fits
Over where you've beenIf the love that you stole
Wasn't still the best that I've known
I wouldn't be takin' itAnd if my heart was intact
You know I'd let you have the first crack
At breakin' itOoo, oooIf my body didn't move
Every time my head didn't turn
I wouldn't be thinkin' it
Oh noIf my heart was intact
You know I'd let you have the first crack
At breakin' itOh, if my head was alright
You wouldn't be sittin' here tonight
Watchin' me shakin' it
Oh noIf my heart was intact
You know I'd let you have the first crack
At breakin' it
