

# I'm Sick of You

Iggy Pop

Goodbye, Betsy, I'm goin' away  
I'm sick of you and there ain't no way  
Don't want to know, don't want to see  
Don't you ever bother me Sick of hanging around your pad  
Sick of your Mom and sick of your Dad  
Yeah and Betsy it's sad but true  
Now I'm even sick of you No way, no way, no way  
No way, no way, no way  
No way for our love  
No way for our love  
'Cause I'm sick of you Good bye, Betsy, I'm going away  
Sick of you and I don't wanna stay  
Don't want to know, don't want to see  
Don't you ever bother me Sick of hanging in around your pad  
Sick of your mom and sick of your dad  
Yes and Betsy it's sad but true  
Now I'm even sick of you No way, no way, no way  
No way, no way, no way  
No way for our love  
No way for our love Every evening and every day  
Seem to always turn out this way  
To get an end, I better find new love  
Then you'll pay, then you'll pay, ain't no way  
'Cause I'm sick of you Goodbye, Betsy, I'm going away  
Sick of you and I don't wanna stay  
Don't want to know, don't want to see  
Don't you ever bother me
