

# Like A Bullet

[Stefanie Heinzmann](#)

So many times you have seen me around and  
when you've seen me you'll know what I'm about  
I'm not the type of girl who cares what you think  
I choose to swim when all the others just sink The one thing that's true is  
I ain't gonna be nobody's fool Refrain  
But you, you're the only one that ever got me  
and you, got me feeling like that  
and you like a bullet in my heart  
that shot me right down, boy  
and I can't get enough of that So, if you're ready we can take it real slow  
now that I told you what I want you to know  
I'm waiting patiently for you to agree  
and if you're clever then you'll know what I mean There's one thing you need  
and I'm about to show you how it feels Refrain  
But you, you're the only one that ever got me  
and you, got me feeling like that  
and you like a bullet in my heart  
that shot me right down, boy  
and I can't get enough of that I don't know what it is that you do to me baby  
if you knew would you tell that you feel the same way that I do Refrain  
But you, you're the only one that ever got me  
and you, got me feeling like that  
and you like a bullet in my heart  
that shot me right down, boy  
and I can't get enough of that But you, you're the only one that ever got me  
and you, got me feeling like that  
and you like a bullet in my heart  
that shot me right down, boy  
and I can't get enough of that
