

# Dry

## Whirr

upset  
this is how i get  
cause we stopped  
but we don't need it  
what we lose  
what we can't choose  
we are through  
let me go  
we're not in control  
we are used  
in pursuit  
i can't lie  
i can't try  
weigh me down and cry  
until you're dry  
drown out my insides  
drown me every time  
dry
